## 100%

Products with a 100% FSC label come from forests certified as meeting the environmental and social standards of the Forest Stewardship Council (FSC).

## Recycled

Products with an FSC Recycled label support re-use of forest resources and use only post-consumer recycled wood or fiber in accordance with FSC standards.

## Mixed Sources

Products with a Mixed Sources label support the development of responsible forest management worldwide. The wood comes from FSC certified well managed forests, company controlled sources and/or recycled material.

Company controlled sources are controlled, in accordance with FSC standards, to exclude illegally harvested timber, forests where high conservation values are threatened, genetically modified organisms and violation of people's civil and traditional rights.

The recycling symbol identifies post-consumer recycled content in these products.
