

MEMBERSHIP APPLICATION PACKET

Welcome to Northwest Certified Forestry (NCF), a program of the Northwest Natural Resource Group. We are pleased to offer three types of NCF membership to serve the variety of management goals of forest landowners in Washington and Oregon. Please read through our membership options and fill out the application form included at the end of this packet.

1. Associate membership is open to any landowner, individual, organization, company, or government entity. Associate members will have access to the following benefits:

- 20% or greater discount to all NCF sponsored workshops and events over \$35
- Access to member-exclusive events
- A reduced consulting rate for fee-for-service work performed by NCF staff
- Referrals to consulting foresters, loggers and other high quality natural resource professionals through our *Preferred Provider Program*
- Monthly newsletter and e-mail news bulletin
- Forest inventory guidebook and software, as well as opportunity to rent a fully stocked cruisers vest.

	<i>Annual Fee</i>
Individual or Family	\$75
Organization or Business	\$175

2. Conservation membership is for landowners who are not interested in pursuing Forest Stewardship Council (FSC) certification at this time. Conservation membership includes the benefits listed above, plus:

- Up to a two-hour on-site consultation at your property
- Access to a members only email list serve
- Assistance identifying cost-share and other financial assistance programs for conservation practices or small business development

<i>Acreage</i>	<i>Initial fee</i>	<i>Annual renewal</i>
1-100	\$250	\$75
101-200	\$350	\$150
201+	Negotiated	Negotiated

3. Certified membership is for landowners interested in obtaining FSC certification for their property. Certified membership includes all the benefits listed above, plus:

- FSC Certification
- Customized marketing assistance for your FSC certified forest products
- An 18" x 24" metal FSC/NCF membership sign for your gate

<i>Acreage</i>	<i>Initial fee</i>	<i>Annual renewal</i>
1-100	\$350	\$250*
101-200	\$450	\$350*
201+	Negotiated	Negotiated

** Ongoing annual membership fees are reduced for landowners who have not conducted significant management activities, such as harvesting or road building, in the previous year. A reduced renewal fee is \$75 for 1-100 acres and \$150 for 101-200 acres. Members with over 200 acres should expect to pay roughly 1/3 of their first year fee in years with no significant management activity and 2/3 in years that require a field audit.*

Addendum to Conservation Membership

NCF strives to promote the highest level of conservation-based forest management. FSC certification is one tool we use to provide recognition to forest owners who are careful stewards of their forests. Whether you choose to pursue FSC certification or not, NCF expects all of our members to apply careful consideration to the management of their forests and strive for a minimum level of management that meets or exceeds the FSC standards. As a member of NCF, your forest and responsible management activities give NNRG the power to promote and market your products and successes in the best way possible. Therefore, we ask that you pledge to manage your forest to a standard comparable to the FSC U.S. Forest Management Standards. For a copy of FSC's standards, please contact NNRG.

Addendum to Certified Membership

In order to become Forest Stewardship Council (FSC) certified through Northwest Certified Forestry's (NCF) group certificate, please be aware that you will need to fulfill the following:

1. Pay your annual membership fee.
2. Submit and follow a comprehensive forest management plan for the properties included in this application. The plan must be reviewed and approved by NCF staff as meeting the FSC US Forest Management Standard v 1.0. If you do not currently have a forest management plan, NCF can provide resources and assistance.
3. Sign a Service Agreement with the Northwest Natural Resource Group
4. Submit tenure rights documentation (e.g. title) if you are not the property owner
5. Receive a site visit from an approved NCF assessor

If your property and management system are compliant with FSC standards, you will receive an FSC “chain-of-custody” certificate which allows you to market and sell products within the FSC marketplace. All sales must be documented and include your unique ‘chain of custody’ number, which will be assigned upon completion of your certification. You will also receive a heavy gauge 18” x 24” aluminum gate sign featuring the FSC and Northwest Certified Forestry logos. Additional signs may be purchased.

If your assessment results in preconditions that you cannot or do not wish to meet, NCF will charge the actual cost of the monitoring visit (based on \$85/hour and current IRS rate for mileage reimbursement) and refund the remainder of your fee. Members owning less than 200 acres will not receive a refund. You may be charged additional fees for time and travel, not to exceed the amount of your original fee, for additional field auditing required to verify compliance with preconditions.

Participation in NCF is fully voluntary, and you are free to end your membership and certification at anytime for any reason, thereby relinquishing all rights to make FSC or NCF claims via NCF’s group certificate. If you wish to re-join NCF, restrictions may apply.
